

Workshop on QAQC in Geology Research and Exploration

Cliff Stanley, Ph.D., P.Geo. FCG
Professor of Applied Geochemistry
Dept. of Earth & Environmental Science
Acadia University

FORMAT

A one-day (6 hour) session on the basic principles and practice of data quality assessment in mineral exploration and geology research fields.

SCHEDULE

8:30 – 10:00	Lecture – Background, Principles, Theory
10:00 – 10:30	<i>Coffee Break</i>
10:30 – 11:30	Lecture – Accuracy
11:30 – 12:00	Exercise on Data Accuracy Assessment
12:00 – 1:00	<i>Lunch</i>
1:00 – 2:30	Lecture – Precision
2:30 – 4:00	Exercise on Data Accuracy Assessment
