JWD001	14/11/1941	2	Letter to J.W. Dafoe from W.J. Selby Walker	This letter asks for Dafoe's opinion re: changing the name of the association. The letter also asserts that major changes need to be made so that soldiers returning from the war can continue to contribute, and for that reason many jobs need to be created that will work off the land as soldiers will unlikely work well indoors. Furthermore, it argues that Canadian policy to farmers and agricultural workers has been drastically falling and there is a definite risk in the near future.
JWD002	01/12/1941	1	Letter to W.J. Selby Walker from J.W. Dafoe	Dafoe responds that he does not have all the necessary facts as he was not privy to the articles which Walker had thought he was. However, he did mention that the name of Walker's organization should be changed so as to differentiate themselves from the Canadian National Railways.
